BSE, Odisha, Percentage: 84.16%

PROJECTS

Portfolio (*Technologies used: HTML / CSS / JavaScript)*

- Designed and developed a personal portfolio website to showcase projects, skills, and resume.
- Built a fully responsive layout with CSS Flexbox/Grid for consistent display across devices.
- Added interactive features using vanilla JavaScript, including smooth navigation and a contact form.

Social Media Web Portal (*Technologies used: Python / Django / SQlite / HTML / CSS / JavaScript)*

- Built a full-stack social media web application enabling users to register, create profiles, and interact through posts, likes.
- Implemented user authentication and session management (sign-up, login, logout, password handling) using Django's built-in auth system.

INTERNSHIP

Full Stack Developer (MERN), Web Bocket Software PVT. LTD. *Jul 2022 – Oct 2022*
